

Cradlerock Elementary School

6700 Cradlerock Way, Columbia, MD 21045

School Family Compact & Calendar of Events 2020-2021

Principal: Jonathan Davis

Assistant Principals: Deanna Mingo & Kathleen Murray

What is Title I?

Title I is a federally funded program designed to support students who need extra assistance in reading and/or math. Title I teachers work with students to support their academic needs. Most interventions are provided in the classroom. This approach provides increased opportunity for flexible grouping, acceleration, and collaboration.

What is a Family School Compact & Plan?

A Family-School Compact & Plan is an agreement between families, students, and teachers that is jointly developed and distributed to all families. It explains how families, students, and teachers will work as a team to make sure all students meet with success, and get the support they need to achieve grade level goals.

HCPSS has identified shared responsibilities for students, educators, and families for a successful virtual instruction program this year. To view these shared responsibilities, visit the HCPSS website.

<https://www.hcpss.org/2020-2021/virtual-instruction-responsibilities/>

We welcome your ideas and input into the compact & plan for achievement; as well as, our family involvement budget, and ideas for how we can work together as equal partners. For feedback and suggestions please reach out to a Title I Teacher or Family Involvement Contact. Contact information for each staff member can be found on the CrES Title I website at <http://cres.hcpss.org/content/title-i-documents>.

How Can I Get Involved at the School?

- Join and attend the Family Involvement Team (FIT) and/or school-based PTA.
- Provide feedback and input on the Family-School Compact/Plan, School Improvement Plan, Family Involvement Budget Plan, and topics for school staff training.
- Classroom volunteer opportunities; please contact your child's teacher directly.

Cradlerock Elementary administrators and school staff have studied our student performance data to decide on the most important areas of improvement for our school. For the 2020-2021 school year, CrES will focus on the following areas:

<p>Mathematics: The HCPSS Mathematics Curriculum aligns with the Maryland College and Career Ready Standards.</p> <ol style="list-style-type: none"> 1. Provide professional learning that focuses on providing students with time to productively struggle through teacher questioning and student discussions. 	<p>English Language Arts: The HCPSS Language Arts Curriculum aligns with the Maryland College and Career Ready Standards.</p> <ol style="list-style-type: none"> 1. Staff will engage in collaborative planning, with Reading Support Teacher (RST), focusing on questioning, differentiation and assessment within Being a Reader, Being a Writer and Making Meaning programs. 	<p>Social Emotional Learning: Social Emotional Learning Curriculum aligns with the Caring School Community Curriculum.</p> <ol style="list-style-type: none"> 1. Staff will participate in monthly professional learning related to building solid relationships with students through daily interactions, informal conversations, academic performance data, classroom

Grade Span Goals:

Pre-K & Kindergarten

Counting and cardinality is an important mathematical concept to master in Pre-K and Kindergarten.

- By the end of Kindergarten, students are expected to know number names, count in sequence, tell the number of objects, and compare numbers of objects in a group.

Phonics, phonological awareness, and word recognition are important concepts to master in Pre-K and Kindergarten.

By the end of Kindergarten, students are expected to:

- Blend sounds
- Say each sound in a word
- Change or add sounds to make a new word
- Hear beginning and ending sounds
- Identify and use high frequency words
- Identify upper and lower case letters and consonant sounds

Grades 1,2 & 3

Developing fact fluency is an important mathematical concept to master in 1st, 2nd, & 3rd grades.

- By the end of second grade, students are expected to demonstrate addition and subtraction fact fluency within 20.
- By the end of third grade students are expected to demonstrate multiplication and division fluency within 100.

All students in Reading will:

- read a variety of genres, including both fiction and nonfiction.
- read and write routinely to build stamina.
- increase their vocabulary knowledge.

Grades 4, & 5

Fractions are an important mathematical concept to master in fourth and fifth grade.

- By the end of fifth grade, students are expected to demonstrate an understanding of fractions as part of a whole, fraction equivalency, addition and subtraction of fractions, and multiplication of fractions.

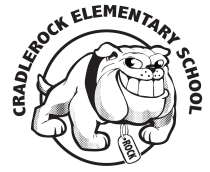

All students in reading will:

- Read a variety of genres, including both fiction and nonfiction.
- Read and write routinely to build stamina.

Family Calendar of Events 2020-2021

Transportation, childcare, interpreter services, and translated documents will be available upon request as needed.

Program	Time & Date	Details
Title I Annual Meeting & Back to School Night	<p>September 22, 2020 5:30-6:00 GT information session 6:00-7:00 Prek-2nd Grade</p> <p>September 24, 2020 5:30-6:00 GT information session 6:00-7:00 3rd-5th Grade</p>	<p>Parents are invited to meet their child's teacher(s) and hear about what their child will be doing for virtual learning. Parents will also have the opportunity to learn about their child's daily schedule, school rules, as well as academic expectations, how to stay connected, and the PTA. Also, find out ways to help your child at home, how to volunteer, as well as how to join our School Improvement Team or Family Involvement Team. Parents will learn about the Schoolwide Title I program, where to find more information, and how to give input into the Title I Budget and the School Compact and Family Plan. There will be time to ask questions and give feedback.</p>
Parent-Teacher Conferences/Compact Review	<p>November 23-25, 2020 Times vary</p>	<p>Parents are invited to meet their child's teacher(s) and hear about how their child is progressing in their current grade level. During this time, parents can ask questions, share concerns/highlights and give/receive feedback.</p>
Tune in Tuesday	<p>Every Tuesday</p>	<p>Every Tuesday, CRES spotlights a new book read aloud by staff mystery readers with the goal of promoting literacy.</p>
